

Longhouse of the Orange Skies Eleventh Annual Alternate Shot Indian Golf Tournament

Sunday, April 18, 2010

What is it?

A lot of fun. Two (or more) players on each team: you and your child/children. We play on a beautiful executive (short) golf course guaranteed not to intimidate your child or you, regardless of experience.

- Kids tee off on odd numbered holes. After your child hits the first shot, you hit the second shot. Your child hits the third shot and this format (alternate shot) continues until the last putt is holed. One score per team is then recorded as your score for the hole.
- The same format is played on the even numbered holes except you tee off first.
- Scorekeeping is optional
- This is a great event for princesses and guides

Where do we play?

Back Bay Golf Course at the Hyatt Newporter Resort on Jamboree in Newport Beach. The "pitch and putt" course is nationally rated and has been written up in Golf Digest Magazine. 1107 Jamboree Road, Newport Beach, (949) 729-1234

Parking

When you pull into the hotel entrance, the golf course is to the far right, but the parking lot is to the far left. You can drop your child off at the course and then park in the appropriate lot. Do not park in the lot that is closest to the golf course—you may get ticketed and/or towed.
